

<p style="text-align: center;"><b>English</b></p> <p><b>GCSE</b> - In term 5, we will be revising transactional writing. This will take on the form of letters, essays, speeches, leaflets and many more forms. We will be studying how information is communicated between individuals and groups.</p> <p style="text-align: right;"><b>ELC</b> -</p> <p>In term 5, we will be revising the skills needed for the Silver ELC papers.</p>	<p style="text-align: center;"><b>Maths</b></p> <p><b>GCSE:</b> Term 5 will be our final term for revision where we will be focussing solely on exam techniques, how to break down what exam questions are asking of us, and how to ensure we gain the maximum marks possible for a question. We will use mark schemes to help us understand how marks are allocated and then use this on past papers ourselves.</p> <p><b>Functional Skills:</b> Term 5 will see us cover the final topics of the functional skills specification which includes perimeter and area of 2D shapes and volume of 3D shapes. We will then be using past papers to get used to the layout of the exam</p>	<p style="text-align: center;"><b>Science</b></p> <p>Term 5 will see us attempt past paper questions and use the mark scheme to see how the marks are allocated and where we can pick up more marks. We will break down question wording so that we make sure to understand fully how much information the question is requiring.</p>	<p style="text-align: center;"><b>Esports</b></p> <p>Esports has shifted focus. We have finished looking at the history of esports and are now moving on to producing an esports brand from scratch. This will involve research into the Esports franchises and how they have become successful and using this information to help develop their own Esports brand.</p>
<p style="text-align: center;"><b>Haven</b></p> <p>This term, we will be looking at our emotions and how we can regulate them in a healthy way. We will look at the importance of getting to know how we feel and how to express our emotions.</p>	<p><b>Cumulus</b></p> <p><b>Term 5 2023-</b></p> <p><b>2024</b></p>		<p style="text-align: center;"><b>History</b></p> <p>During term 5 Cumulus will be finishing their topic on the Normans. Students will be studying the Battle of Stamford Bridge, Battle of Hastings and the defense system of the Bailey Castles and the Motte's. We will be revising all topics ready for their upcoming exam season.</p>
<p style="text-align: center;"><b>Barclays Life Skills</b></p> <p>In term 5 we will be learning about different types of banks and how they can help. We will look at the different types of banking available and how to make the most of your providers services. We will look at managing overdrafts and the financial implications of being a sole income earner and how to avoid becoming overwhelmed in this situation.</p>	<p style="text-align: center;"><b>PE</b></p> <p>We will be shifting our focus away from racketsports this term. We are moving to focus on team sports and the skills needed in these events such as, communication and teamwork. We will also be learning key sports techniques in basketball alongside these teamwork skills.</p>	<p style="text-align: center;"><b>Cooking</b></p> <p>This term in cooking we will be discussing nutrition and we will look at the the eatwell guide for healthy eating. The students will be practicing various skills such as peeling, grating, chopping and cracking eggs. Our recipes will include cookies, soup and pasta bake.</p>	<p style="text-align: center;"><b>LLS and LOTC</b></p> <p>In LLS and LOTC it is a very important time in the development of our allotment. We have already started sowing seeds inside and we will now start growing at the allotment. The pupils will focus on preparing the site ready for planting and learning how to successfully grow from seed to harvest. Alongside this, the pupils are going to develop the skills of pitching ideas to companies to help gain more equipment and resources for our allotment.</p>
